PROFILE

I am currently studying physics and mathematics at the University of Auckland. I am an enthusiastic and hard-working person. I enjoy working in both a group environment and individually. I am self-motivated, organised and have an eye for detail. I am eager to learn and enjoy overcoming challenges.

EXPERIENCE

Research Assistant, University of Auckland 2015 - present

This was a full-time position working with the University of Auckland and Te Pūnaha Matatini on various tasks.

- Collaborating on a blog deconstructing the National Statement of Science Investment 2015 – 2025.
- Data visualisation of NZ Academics on Twitter.

Clinical Assistant, Midland MRI 2013 – 2014

My responsibilities were split between assisting with patients and administrative duties.

- Helping both inpatients and outpatients of Waikato Hospital.
- Data entry of referrals and patient information.
- Booking and managing appointments.

Retail Sales Assistant, Yoobee 2012

Part-time position selling Apple products and accessories as well as dealing with product repairs.

- Target-focused sales.
- End-of-day banking.

Intern, Arise Church 2012

I volunteered for the year with my main roles including a personal assistant to a senior pastor and managing the finances and office administration.

- Settling credit card statements and petty cash reconciliation.
- Event planning.
- Venue set-up and pack-down.
